STYLE MEETS FUNCTION

With boldness and innovation at our heart, we take timeless bathroom brassware essentials and create modern, stylish pieces. Our portfolio of four iconic ranges, Domo, Decca, Bank and Zurich are available in four bold finishes: Brushed Brass, Brushed Nickel, Gunmetal and Chrome.

All ranges have been created to provide something for every bathroom, including deck and wall mounted basin mixers, deck, wall and freestanding bath fillers, showers and a complimentary accessories range. Crafted by experts, these products have been through various stages from concept through to 3D prototype with design always at the forefront.

All taps, valves and showers are WRAS approved and come with a 20 year guarantee, further proof that these products have been manufactured to not only look good, but to last.

Coalbrook is sold exclusively via our specially selected partners. You can find your nearest stockist on our website or contact us and we'll put you in touch with someone who can help.

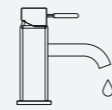

DESIGN

QUALITY

SUSTAINABILITY

FUNCTION

Our industrial-inspired identity stemmed from Coalbrookdale in the Midlands, the home of the iconic Ironbridge Gorge and the birthplace of the Industrial Revolution. We felt that this reflected our products perfectly: solid, reliable and well-engineered.

THE MARKET BUILDING

The Market Building in Clerkenwell, London, is the home of Coalbrook, showcasing the product range and celebrating our brand's industrial heritage.

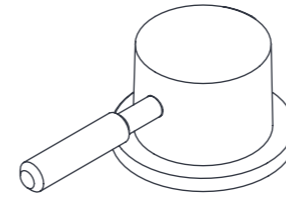

Designed to appear like an industrial landscape, shower displays are mounted onto 'chimneys' and situated beneath chainmail curtains representing smog, whilst the windows feature vibrant red and amber resin, which glow like furnaces. A solid stone, post-tensioned staircase with rough quarried edges leads down to the basement level, where two large industrial boiler-like structures house working tap displays.

FOUR RANGES, FOUR FINISHES

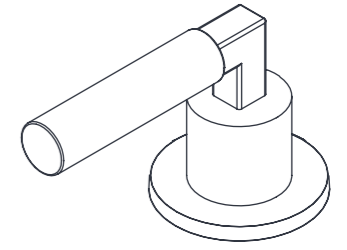

DOMO

DECCA

BANK

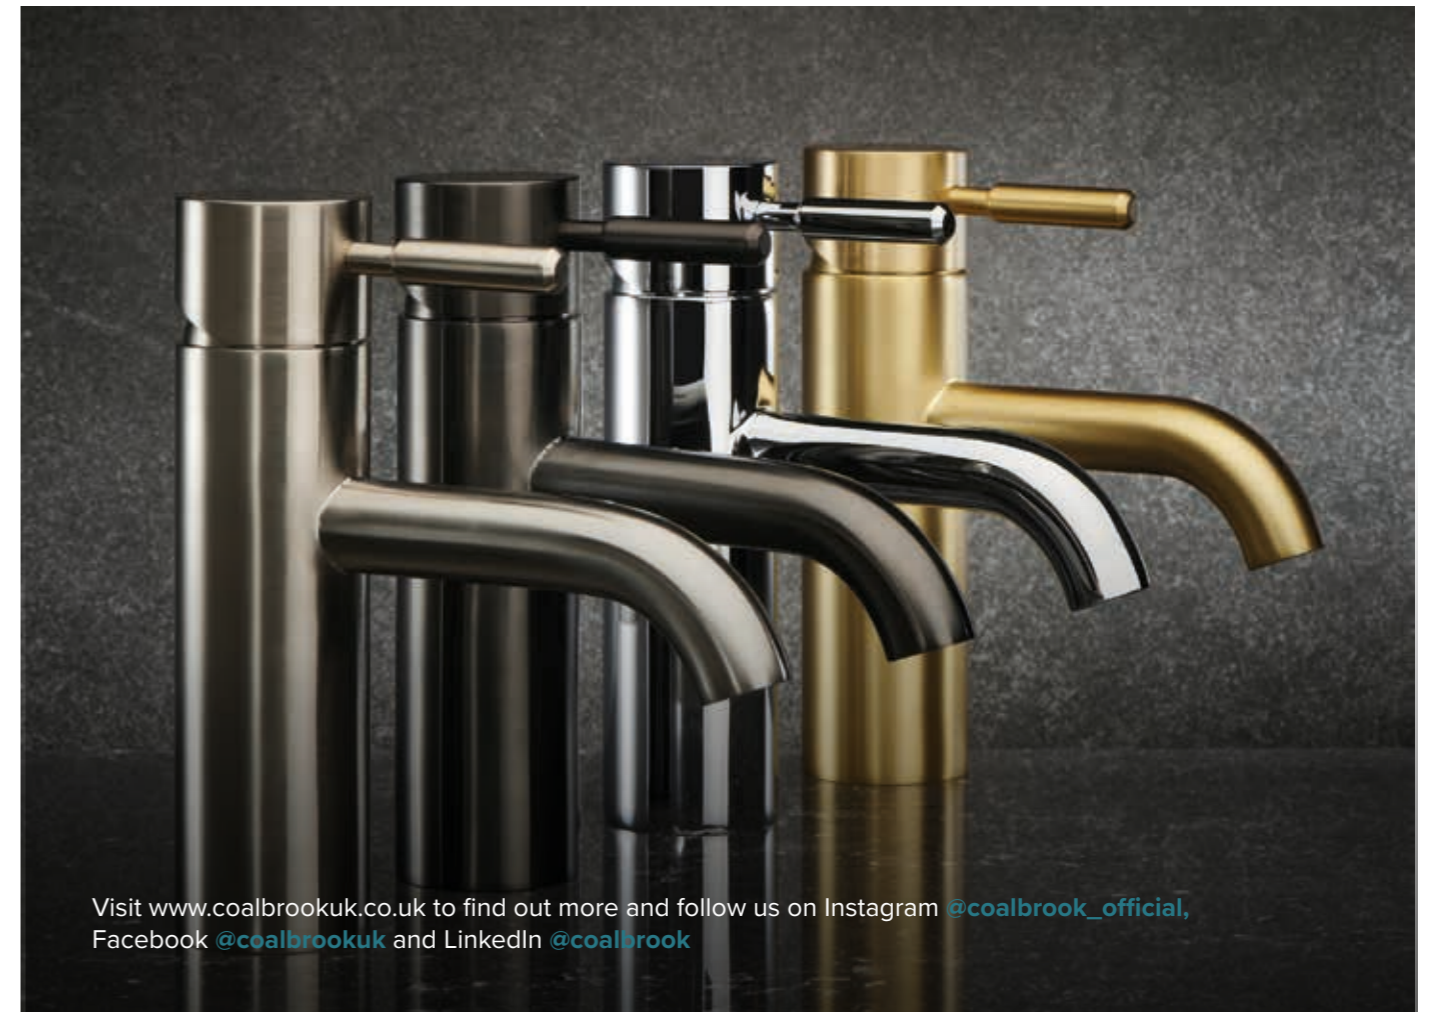

ZURICH

Coalbrook's portfolio of four iconic ranges, Domo, Decca, Bank and Zurich are available in four bold finishes: Brushed Brass, Brushed Nickel, Gunmetal and Chrome.

With chrome the exception, all finishes are PVD coated, providing longevity and durability for everyday use. PVD coating involves bonding the finish to the brassware, ultimately preventing discolouration and tarnishing. The PVD process is more environmentally friendly than classic plating with less contaminants.

Our Chrome finish is a timeless classic, fitting perfectly in almost every bathroom setting. Brushed Nickel offers a subtle golden tint as a difference to Chrome. Gunmetal's dark and sleek tones add the perfect finish and Brushed Brass adds that extra touch of class to any bathroom.

BRAND MARKETING SUPPORT

Coalbrook have a range of assets and marketing materials provided to each of our partners to support your customers initial interest, all the way to post sale. From training modules to sharing your complete bathroom designs, this year we have launched multiple functions on our website which will enable customers to not only find your showroom, but discover inspiration from our recent projects and blogs which are available for you to share. You can find out more about each of these functions below.

SOCIAL MEDIA

We aim to increase our activity on social media by working with our partners. If you have a completed project or display of Coalbrook products, please email them to marketing@coalbrookuk.co.uk and tag our accounts below as we would love to feature them on our grids.

An interest in collaborators and influencers is beginning to rise, to benefit our partners and awareness to Coalbrook, there is a new process which allows an even opportunity towards each partner to work with a favourable collaborator/influencer.

WEBSITE SUPPORT

Find a Partner

Our 'Find a Partner' tool enables customers to be directed to your website if you are within the selected radius of their entered location. Once selected the customer is directed to your website to find out more information.

Project Inspiration

Use our 'Project Inspiration' page on our website to look at recent projects designed by interior designers and Coalbrook partners. You can re-share these to discuss potential designs with your customers.

Design Journals

The 'Design Journals' is the latest edition to our website. Coalbrook discusses latest trends, both in design and materials for your bathroom. You are also able to utilise these; re-share them on your website and social media to increase your SEO activity.

MARKETING MATERIALS

Customer brochures

As a partner you will receive a specifications brochure which includes prices excluding VAT, you will also be provided a consumer brochure for your customer which features prices including VAT.

Lifestyle images

A range of lifestyle images from bath fillers to shower baskets, are provided to our partners to use across their social media where they may mention and tag Coalbrook.

Finish samples

Finish samples are provided to allow customers to see the variation in our PVD coated finishes.

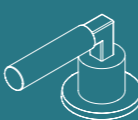

Training modules

Training modules with certification of completion for both the individual and partner's showroom are provided by Coalbrook. You can use these once completed for support on Coalbrook's products and history.

PRODUCT MATRIX

At a glance, see which Basin, Bath and Shower products are available in each Coalbrook range. Some Shower and Bath options are not range specific and our Accessories have been designed to sit alongside all ranges.

OUR GUARANTEE

All Coalbrook products come with a 20 year guarantee as standard. Within this guarantee period Coalbrook will provide any replacement parts

Our products are guaranteed against manufacturing defects from the date of purchase for 20 years.

THE GUARANTEE IS ONLY VALID IF:

- The product has been installed, used and maintained according to the Coalbrook instructions
- The product is subjected to normal useage only.
- The defect is not due to the introduction of foreign objects or substances
- The defect is not due to use of an unsuitable or inadequate water or power supply.
- The defect is not due to misuse, attempted repair or neglect

In the event of a replacement part being required, Coalbrook reserves the right to charge in advance for the part pending return and inspection of the failed item to confirm the reason for the replacement. If a manufacturing defect is found then a refund will be processed.

The guarantee is non-transferable i.e. is valid only to the original owner.

All claims under the guarantee should be notified in writing to our aftersales department. This must be done at the latest of the last day of the guarantee period and all claims must provide proof of purchase.

The guarantee does not extend to any consequential loss or damage or refitting costs.

Coalbrook products are continuously improved and developed and we reserved the right to change any aspect of the product without prior notice.

This guarantee is in addition to and does not affect your statutory rights as a consumer.
