4-Layer Construction

The Coachman® Collection

gives your home classic elegance while complementing your home's architectural style. With three distinctive series, the Coachman Collection offers the sophisticated expression of a carriage house door with the science of durable steel and composite construction. The result is a classic look that's virtually maintenance-free. It's the perfect blend of beauty and practicality—masterful in the details and innovative in design—and it's only from Clopay®.

Custom white composite overlay with beveled coped edge and center groove creates a detailed carriage house look.

Series ONE

SERIES ONE in the Coachman® Collection proves that in simplicity, there is sophistication. Architectural home designs such as Mission, Shaker, Country and Prairie look beautiful with the understated elegance of this classic look. Your choice of rectangular, square or arched windows provides that finishing touch.

- Can be painted using a high-quality exterior latex paint. Doors and overlays can be painted dark colors with a Light Reflective Value (LRV) of 8 or higher. Contact paint manufacturer for LRV reading.

Decorative Hardware

A FOCUS ON

green

Clopay is committed to designing, manufacturing and distributing garage doors that enhance the beauty, safety and value of your home while minimizing the impact on the environment.

The Coachman® Collection helps conserve natural resources by providing a durable, reliable, low-maintenance, energy-efficient door. Steel doors and hardware are impervious to moisture and will not rot, warp, crack or fade, and the steel used in Clopay's doors is made from over 75% recycled content. All Clopay doors are made in the U.S., minimizing shipping, damage and handling.
