## HEIRLOOM COLLECTION

Heirloom - a much treasured possession gathering new meaning and memories when passed from one generation to the next. For Mulberry Home, the Heirloom Collection represents a design heritage with patterns echoing an archival past and made with respect for craft tradition.

Heirloom Weaves - this superb group of exuberant hand finished embroideries stitched on to shimmering silks and pure linen confidently demonstrates the art of fine needlework. The collection is complemented by smart decorative weaves in a wide variety of differing textures and designs.
